ATS MS 420S Banding machine

Price: 3500 EUR

ATS MS 420S Banding machine
The most famous manufacturer of banders on the market.
The machine is in perfect condition, after inspection, from a German plant.
The device works in manual or automatic mode.
Production version, for heavy loads.
After inserting the material, the machine wraps it with tape, compresses and seals it to create an elegant-looking package.
The machine does not need time to warm up – it works immediately after switching on.
It is ideal for packing business cards, leaflets, etc. materials.

Technical data:
tape width: 30 mm
efficiency: 26 cycles/min
dimensions of the banded product: 420x260mm
The set includes tapes and an instruction manual.
