

## ATS MS 420S banding machine

**Price: 3500 EUR**

ATS MS 420S banding machine

The most famous manufacturer of banding machines on the market.

The machine is in very good condition, after inspection.

The device works in manual or automatic mode.

Production version, for heavy loads.

After inserting the material, the machine wraps it with tape, squeezes and seals it, creating an elegant-looking package.

The machine does not need time to warm up - it works immediately after turning on.

Perfect for packing business cards, leaflets, etc.

Technical data:

tape width: 30 mm

efficiency: 26 cycles/min

dimensions of the banded product: 420x260mm

The set includes tapes and an instruction manual.
