

## ATS US 2000 AB Banding Machine

**Price: 4250 EUR**

ATS US 2000 AB Banding Machine

The most well-known manufacturer of Banding Machines on the market.

The device works in manual or automatic mode.

After inserting the material, the machine wraps it with tape, compresses and seals it to create an elegant-looking package.

It is ideal for packing business cards, leaflets, etc. materials.

The device, unlike others, seals the tape using ultrasound, thanks to which the heating time of the device is practically non-existent and, importantly, the operation of the device is odorless.

Technical data:

efficiency: 35 cycles/min

opening dimensions: 360x260mm

tape width 30mm

The device is mounted on a trolley for easy movement.

Possibility of installing jumbo rolls.
