

## **Automatic creasing and folding machine Morgana Autocreaser Pro 50 + AutoFold Pro**

**Price: under request EUR**

Automatic creasing and folding machine Morgana Autocreaser Pro 50 + AutoFold Pro  
The device is fully functional and ready to work.

It is the most efficient creasing and folding system on the market, solid construction.

Production: England.

Vacuum feeding, non-stop, with the option of adding material during operation.

Built-in compressor

The set includes an instruction manual.

The 7" color Smart Screen programmer makes it very easy

Technical parameters:

Maximum format (width/length) 500 x 700 mm

Minimum format 140 x 210 mm

Maximum grammage 0.4 mm (approx. 400 gsm) including laminated material

Minimum grammage 0.11 mm

Maximum number of bigs in one pass 16

Number of alphanumeric programs, unlimited

Productivity 8,500 sheets/h (A4-1 large), 11,000 sheets/h (A5-1 large)

Min. distance of the hook from the front edge 2.5 mm

Min. distance of the hook from the rear edge 35 mm

Minimum distance between creases 1 mm

Machine dimensions (L x W x H) 1500 x 682 x 1224 mm

Net weight 156 kg

Power supply 230V, 50 Hz

MORGANA AUTOFOLD PRO is a two-fold folding machine with a patented system of rollers and knives enabling folding of offset or digital sheets weighing up to 400 gsm, without cracking the spine.

Suitable for offset and digital prints

Folding sheets exactly at the creasing point

Breaking is performed in a section consisting of patented „flying knives“ that prevent sheets from cracking

Operation via the color, touchscreen Smart Screen

Unlimited number of programs

Specification:

Max sheet size 630mm x 385mm

Min. sheet size 210mm x 140mm

Max. paper weight 0.4 mm

Min. paper weight 0.11 mm

Max number of columns per sheet 2

Number of programmed applications Unlimited, alphanumeric

Min. distance to the next column 70 mm (depending on paper weight)

Min. distance of the column from the longer edge 50 mm (depending on the paper weight)

Min. distance of the column from the rear edge 50 mm (depending on the paper weight)

Speed per hour (A4 in half) up to 6,000 sheets per hour

Dimensions 1700mm x 680mm x 1220mm

Weight 128 kg
