

Bandall BA 32-30 banding machine

Price: 4520 EUR

Bandall BA 32-30 banding machine

One of the most recognizable banding machines in the world, a market leader.

Manufactured by Bandall, The Netherlands.

The machine is in very good condition, after inspection.

The device works in manual or automatic mode.

Production version, for heavy loads.

The machine is mounted on an independent structure, with wheels for transport.

Working on jumbo rollers.

After inserting the material, the machine wraps it with tape, squeezes and seals it, creating an elegant-looking package.

Perfect for packing business cards, leaflets, etc.

Control via LCD panel.

Technical data:

tape width: 30 mm

efficiency: 36 cycles/min

dimensions of the banded product: 320×200 mm
