

## Hohner Foldnak 40 booklet maker

**Price: 2500 EUR**

Hohner Foldnak 40 booklet maker

Machine in perfect condition, 100% functional.

The device staples in two points and folds in half, creating a finished booklet.

Description:

- regular and eyelet sewing (standard staples, cheap to use)
- heads adjustable in up to 5 positions
- possibility of turning off sewing or folding (this allows, for example, sewing only)
- triggering from a photocell
- counter of copies made
- lateral alignment
- indicator light signaling lack of staples
- SRA3 format
- thickness approx. 30 sheets
- 230V power supply

Supports non-standard formats.

The set includes a box of accessories and documentation.
