

Horizon BQ-270 Perfect Binder

Price: 10500 EUR

Horizon BQ-270 Perfect Binder

Machine in very good condition. Ready to use. Only 240,000 books used.

Manufacturer's description:

Professional binder for perfect paperback binding. This fully automatic binder features an exceptionally sturdy design and is equipped with a hot glue gun, making it effective even for small and very small quantities of booklets or pages. The Horizon BQ-270 is a single-jaw binder with automatic cover feeding, which, operated by a single person, delivers impeccably bound books of consistently high quality. This model, equipped with a cover thickness scanner, allows for „on-demand“ book binding.
