

Morgana Plockmatic BM 2000S Digital Booklet-Making System

Price: 11000 EUR

Morgana Plockmatic BM 2000S Digital Booklet-Making System
The machine is in full working order and ready for production.

A professional, automated booklet-making system from Morgana (part of the Plockmatic Group), designed for medium- to high-volume digital and offset print finishing environments.

The system consists of:

- Morgana VF602 sheet feeder with two bins, featuring air-assisted feeding
- Morgana BM 2000S stitcher-folder unit, equipped with two wire-stitching heads
- Morgana FTR 2000 trimmer
- Morgana SQF 2000 square-fold unit
