

Nagel Citoborma 290 paper drill

Price: 1550 EUR

Nagel Citoborma 290 paper drill

The device is 100% functional, factory condition - no traces of use.

Solid construction - weight 70 kg.

This is the currently produced model of the Citoborma drill.

Power supply 230V.

Two drilling heads.

Drill diameter 2-20 mm.

Stack height 60 mm.

The drilling table is adjustable in every plane (sides, front/back), has stops for setting the drilling spacing (non-standard drilling), and additionally, a special module for standard spacing is installed in the table. Moreover, the table has two movable margins.

The drill has an automatically released table lock after each cycle. This allows you to move the table to the next position.

The set includes drills and tools, a column and instructions.
