

OMM Mariner 2 creasing machine

Price: 1200 EUR

OMM Mariner 2 creasing machine

Original Italian product.

The machine is in very good technical and visual condition.

One owner from new.

The machine has a working width of 500mm

230V power supply

The equipment includes a creasing tool, front and side margin.

The creasing machine is recommended for larger volumes, it is quiet and powerful thanks to the gear motor drive.

Switching on with a foot pedal.

Two widths of crease line.
