

Renz Autopunch AP 360 V4 Automatic Perforator

Price: 20000 EUR

Renz Autopunch AP 360 V4 Automatic Perforator
Device in very good condition.

Includes perforation tool 2:1 and 3:1

Manufacturer's description:

Perforation device with a working width of up to 360 mm

Device adapted for continuous operation and high loads

Unique „Two-finger“ system ensures excellent reception of sheets of various grammages

Two-shelf pater noster feeder enabling continuous operation

After perforation, the sheets rotate around a special drum, thanks to which the correct sequence of pages is maintained at the receiving station

Possibility of using two-part strips enabling perforation of both books and calendars

Perforation up to 2.4 mm in one cycle

Quick and easy replacement of perforation strips

Possibility of using strips with / without a recess for the hanger. Quick format change by switching off selected needles without having to remove the strip

There is a shaker on the delivery.

Power supply 230V

Weight 720kg
