

Renz Autopunch AP 360 V4 automatic perforator

Price: 18300 EUR

Renz Autopunch AP 360 V4 automatic perforator

The device is in very good condition.

2:1 perforation tool included

Manufacturer's description:

Perforation device with a working width of up to 360 mm

The device is designed for continuous operation and high loads

The unique „Two-finger“ system ensures perfect reception of sheets of various weights

Two-shelf pater noster feeder enabling continuous operation

After perforation, the sheets rotate around a special drum, thanks to which the appropriate sequence of pages is maintained at the receiving station

Possibility of using two-part strips enabling perforation of both books and calendars

Perforation up to 2.4 mm in one cycle

Quick and easy replacement of perforating strips

Possibility of using strips with/without a recess for the hanger. Quick format change by turning off selected needles without having to remove the strip

There is a shaker on the floor.

Power supply 230V

Weight 720kg
