

## Semi-automatic spiral binding machine Renz Mobi 500

**Price: 17500 EUR**

Semi-automatic spiral binding machine Renz Mobi 500

Very good condition of the device.

Semi-automatic device for crimping closed spirals by the German company RENZ:

- Device controlled by a touch screen
- The fastest change of settings for different work formats in this class of devices via the electronic panel, which is particularly important for small, frequently changing print runs
- Setting the spiral diameter in the range of 1/4"-1 1/4" (6.9 -32.0 mm) using a knob
- Hanger feeder
- Quiet operation. The device does not require the use of a compressor.
- Working width 105-500mm
- Mobile devices, easy to move
- Receiving conveyor included
- Does not require special operator training

230V power supply

Weight: 550kg
