

Banding machine Willy Heckmann WHU 200E

Price: 2500 EUR

Banding machine Willy Heckmann WHU 200E

The machine is like new, ready to work.

Manufacturer: Willy Heckmann GmbH & Co.

Simple controls.

An indispensable device on expeditions, for packing heavy parcels, e.g. with leaflets or catalogues.

A strip of PP tape strengthens the packaging and additionally creates a handle that allows us to easily grab and transport the package.

Adjustable tension force.

Goal size 850x600mm

Strap width 12mm

Power supply 230V

Weight 200 kg
