

Foellmer 45 ME Creaser

Price: 1500 EUR

Foellmer 45 ME Creaser

The machine is in very good technical and visual condition.

One owner since new.

This is the newest model, currently in production.

The machine has a working width of 450 mm.

380V power supply.

Equipment includes a creasing bar, front margin, and side margin.

This creaser is recommended for larger runs. It is quiet and powerful thanks to its geared motor drive.

It is operated by a foot pedal.
