

# Graphic Whizard CreaseMaster Platinum Automatic Creaser

**Price: 5500 EUR**

Graphic Whizard CreaseMaster Platinum Automatic Creaser

The machine is fully operational and ready to use.

This is the most efficient creasing and perforating system from a Canadian manufacturer, featuring a robust construction.

Non-stop vacuum feeding with the ability to add material during operation.

Built-in Becker compressor.

Controlled from the control panel, with the ability to save individual jobs to the machine's memory.

Creating from the top and bottom is possible (ideal for creasing covers).
