

Heidelberg Cylinder SBD 64×89 Automatic Die Cutter

Price: 38000 EUR

Heidelberg Cylinder SBD 64×89 Automatic Die Cutter

The most sought-after machine on the market, in its late 2000s.

The machine is in very good condition and ready for operation.

Format: 640x890mm

The machine is ready for die cutting.

Fully automatic, with smooth speed control, central lubrication, and safety guards.

The machine features a quick-change carriage system on the infeed and a convenient cabinet on the side of the machine.

Includes two frames, spare parts, a cylinder plate, carriages, and a large set of fillers and locks.
