

Heidelberg Eurobind 500 Perfect Binder

Price: 10000 EUR

Heidelberg Eurobind 500 Perfect Binder

Machine in very good condition, low mileage, ready for operation.

From a state-owned printing house.

Manufacturer's description:

Professional binder for perfect paperback binding. This fully automatic binder features an exceptionally sturdy design and is equipped with a hot glue gun, making it effective even for small and very small quantities of booklets or pages. The Heidelberg Eurobind 500 is a single-jaw binder with automatic cover feeding, which, operated by a single person, delivers impeccably bound books of consistently high quality.

It binds books with a thickness of 2 to 50 mm and a spine length of 120 to 320 mm, with a maximum output of up to 500 books per hour.

Integrated milling cutter

Automatic cover feeding and creasing.

The set includes documentation, waste extraction, a compressor, and an electric book delivery system.
