Heidelberg Eurobind 600 Perfect Binder

Machine in perfect condition, with no signs of use. Ready to operate. Very low mileage.

Manufacturer's description:

Professional binder for perfect paperback binding. This fully automatic binder features an exceptionally sturdy design and is equipped with a hot glue gun, making it effective even for small and very small quantities of book covers or pages. The Heidelberg Eurobind 600 is a single-jaw binder with automatic cover feeding, which, operated by a single person, delivers impeccably bound books of consistently high quality.

It binds books with a thickness of 2 to 50 mm and a spine length of 120 to 320 mm, with a maximum production rate of up to 500 books per hour.

Factory-installed cutter with additional scoring knives and cleaning brushes.

Automatic cover feeding and creasing.

The set includes documentation, waste extraction, fume extraction from the glue gun, and an Abac compressor.
