

Ideal 4705 Paper Cutting Guillotine

Price: 1500 EUR

Ideal 4705 Paper Cutting Guillotine

This is a currently manufactured guillotine model from the renowned German manufacturer Ideal.

Very good condition, ready for production.

Description:

- Cutting length: 475 mm,
- Cutting thickness: 70 mm,
- Minimum scrap: 30 mm,
- Maximum distance from the knife to the saddle: 455 mm.

Safety Cutting System includes: a lifting, transparent safety cover (blocks cutting when the knife cover is open); a safety lock (blocks the knife lever in the upper position); safe cutting depth adjustment (from the outside of the machine); cutting blades can be easily and safely rotated and replaced; a knife made of high-quality „Solingen“ steel;

a sturdy steel knife carrier; a sturdy pressure plate lowered by a wheel (full control of the pressure force adjustment depending on the type of paper being cut); a rear stop adjusted by a crank; a measuring tape in millimeters and inches; Solid metal construction;

The set includes a table for the machine, a spare cutting stick, an instruction manual, and a spare knife.
