

## **Nagel Foldnak 100+ Booklet Maker + Trimmer + Spine creator SP 100**

**Price: 8300 EUR**

Nagel Foldnak 100+ Booklet Maker + Trimmer + Spine creator SP 100

The machine is in very good condition, ready for production. Like a new one.

The device stitches in two points and folds in half to create a finished booklet, the final knife cuts the front of the booklet, and the spine creator forms the spine, giving it a square shape and closes the booklet.
