

Renz Mobi 500 Semi-Automatic Spiral Binding Machine

Price: 33750 EUR

Renz Mobi 500 Semi-Automatic Spiral Binding Machine

Perfect condition, manufactured in 2021.

Only 3,636 bindings used.

Semi-automatic spiral binding machine from the German company RENZ:

- Controlled by a touchscreen display
- The fastest setting changes for various work formats in this class via an electronic panel, which is particularly important for small, frequently changing runs
- Spiral diameter adjustment from 1/4" to 1 1/4" (6.9 to 32.0 mm) using a knob
- KA-300 Hanger Feeder
- Quiet operation. The machine does not require a compressor.
- Working width: 105-500 mm
- Mobile, easy to move
- Includes a receiving table
- No special operator training required

230V power supply

Weight: 550 kg
