

Renz Mobi 500 Semi-Automatic Spiral Binding Machine

Price: 32500 EUR

Renz Mobi 500 Semi-Automatic Spiral Binding Machine

In perfect condition, manufactured in 2019.

This semi-automatic spiral binding machine from the German company RENZ features:

- Touchscreen control
- The fastest setting changes for various work formats in this class via an electronic panel, which is particularly important for small, frequently changing runs
- Spiral diameter adjustments from 1/4" to 1 1/4" (6.9 to 32.0 mm) using a knob
- Hanger feeder
- Quiet operation. No compressor required.
- Working width: 105-500 mm
- Mobile, easy to move
- Outfeed conveyor included
- No special operator training required

230V power supply

Weight: 550 kg
