

Renz Punch 500 perforator with base

Price: 6250 EUR

Renz Punch 500 perforator with base
This machine is in very good condition.
The set includes a base for the machine.

Electric drive, foot pedal control.

The set includes a 3:1 perforation tool for a 4×4 hole, along with a cutout for a hanging hook. Manufacturer's description:

Perforation device with a working width of up to 500 mm

Device designed for continuous operation and heavy loads

Foot pedal-operated operation

Perforation of up to 40 sheets (4 mm) in a single cycle

Quick and easy replacement of perforation strips

Ability to use strips with or without a suspension slot

Ability to use QSA strips (quick format change by disabling selected needles without having to remove the strip)

Ability to use two-piece strips - one tool allows for perforation of both books without a suspension slot and calendars with a suspension slot (in this case, perforation without a suspension slot up to 465 mm)

Machine operates on a 3-phase power supply

Weight: 120 kg + 50 kg base.
