

Stago PB 2015 Paper Drill

Price: 1150 EUR

Stago PB 2015 Paper Drill

This is the latest drill from Stago, originally from the office of a large company. The machine is 100% functional. The drill table is adjustable in all directions (sides, front/back). It has stops for setting the drilling spacing. The installed table is an enlarged version. Additionally, the drill has an automatic table lock.

Sturdy construction - weighs approximately 70 kg.

230V power supply

Two drilling heads.

Drill diameter: 2-10 mm.

Stack height: 60 mm.

The machine has an adjustable spacing between the heads.

The drill has been serviced.

Drills and tools are included.
