

## **STAHL T36/4 + knife Folding Machine for Pharmaceuticals**

**Price: 7000 EUR**

STAHL T36/4 + knife Folding Machine for Pharmaceuticals

Made in Germany.

The world's highest-class folding machine.

The machine is ready for production.

Smooth feed and folding speed adjustment.

4-cassette module + cross knife + delivery.

Depp pile lift feeding (high stack)

This machine is ideal for folding pharmaceutical leaflets thanks to its low fold and large number of cassettes.

Cassette soundproofing.

Electronic counter with a batching function and adjustable time between batches.

Technical specifications:

Max size: 360x550mm

Min size: 80x100mm

Weight: 450kg

380V power supply
