

Uchida VS-200 double-head paper drill

Price: 1200 EUR

Uchida VS-200 double-head paper drill

The device is in perfect condition, like new!

Made in Japan.

Two drilling heads with a spacing of 40-143 mm.

Technical data:

Drill diameter: up to 14 mm

Stack height: 50 mm

Weight: 65 kg

Adjustable margins in every plane.

Additionally, the machine has a material pressure that increases the precision of work.

The drill table is equipped with an additional mechanism with a spacing memory, allowing drilling of unified spacing (e.g. binder)

This is one of the latest Uchida models.

The set includes operating tools, drills, instructions.
